SPOTLIGHT DANCE CUP

2024 RULES, REGULATIONS & GUIDELINES

FIRST THINGS FIRST! (General Information)

DIVISIONS

Division	Description <i>The following descriptions are suggestions to help understand where we believe a dancer's skill set may exist according to our levels. We expect that the dancers have a strong understanding/mastery of the moves below. These examples are a guideline but are not meant to be all-inclusive, nor should they limit your choreographic choices. Please continue to use your best judgement when placing your dancers and routines in the appropriate divisions.</i>
Novice Gems	For the <u>beginner</u> dancer who trains a maximum of 3 hours per week. <i>Examples of the basic skills and movements allowed in the Novice Gems Division include grand jete, saut de chat, single or double pirouettes, side leaps, front or side battements, simple tumbling skills such as cartwheels and somersaults, basic tap vocabulary of shuffles, heel/toe and toe/heel combinations, flaps, and ball changes as a basis and intro to party moves in hip hop (dougie, whip & nae nae, cabbage patch, running man, tootsie roll/butterfly), top rocks, basic isolation work, hits, and floor work.</i>
Future Gems	For the <u>intermediate</u> dancer who trains a maximum of 5 hours per week. <i>Examples of the basic skills and movements allowed in the Future Gems Division include the Novice Gems skills in addition to double or triple pirouettes, switch leaps, reverse leaps, stationary leg holds or single leg hold turns, fouetté turns, á la seconde turns, intermediate tumbling skills such as front or back walkovers, aerials, back handsprings, basic tumbling passes, intermediate tap vocabulary of pull backs, wings, and time steps demonstrating clear use of dynamics and rhythm, baby freezes in hip hop, Russian/Kazotsky kick, standard gliding patterns, basic tutting, threading, simple waves, and basic understanding of texture.</i>
Elite Gems	For the <u>advanced</u> dancer who trains more than 5 hours per week or for any dancer with more advanced skills regardless of hours of dance training. <i>Examples of the skills and movements that would classify a routine in the Elite Gems Division include multiple pirouettes, consecutive fouetté or á la seconde turns followed by multiple pirouettes or other advanced turning sequences, switch leaps with varying intricacies, multiple leg hold turns, advanced tumbling skills such as fulls, layouts, back tucks, and tumbling passes, and advanced tap vocabulary demonstrating a clear understanding of timing, rhythm, syncopation, and dynamics, outstanding syncopation and rhythm potentially displaying multiple styles of hip hop including krumping, popping, locking, waacking, advanced breaking such as flairs or windmills, and intricate waves, glides, and threading.</i>
Flawless Gems	For routines including dancers with exceptional mental and/or physical abilities or dancers with special needs. Routines competing in the Flawless Gems Division will be for Adjudication Only. Special rates apply, please contact the office when registering in this division.
Adult	For a routine with any one dancer age 20 or older.

NOTE: Training is defined as any non-rehearsal classes that are instructional based and focus on the technical aspects of dance regardless of genre.

DIVISION PLACEMENT

*Studios will assign a division to each dancer during the registration process. Division placement is at the discretion of the studio directors and teachers. Read descriptions carefully and be fair and honest with dancer placement. Please also keep in mind the skill of the dancer and the difficulty level of the choreography; just because a dancer qualifies at the intermediate level doesn't mean their skill set warrants that placement.

Solos	Soloists must perform all solos within their assigned division.
Duos/Trios	Division is determined by its highest level dancer.
Groups & Lines	Novice Gems groups and lines must be 70% Novice Gems with the remaining 30% Future Gems. Future Gems groups and lines must be 70% Novice or Future Gems with the remaining 30% Elite Gems. Elite Gems groups and lines can have any mix of Novice, Future and Elite Gems dancers.

DIVISION CONFLICT RULE

ANY dancer registered in more than 5 Elite Gems routines (excluding Productions) must be classified as an Elite Gems dancer. Any dancer or routine found to be in violation of the Division Conflict rule will be automatically moved to the Elite Gems division and the studio will be notified by email.

BUMPED ROUTINES

During the event, our judges will use the suggested guidelines to help ensure proper placement in our divisions. If two or more judges indicate that a routine or dancer should compete at a higher level, the routine will be bumped and scored as adjudication only, at the Event Manager's discretion. The routine or dancer may re-compete for overalls ONLY if the new, higher division hasn't competed AND if the schedule permits. All bumped routines must compete in the new division for any remaining Regional events as well as National Championships.

AGE CATEGORIES & GROUPS

Petite	8 & Under

SCHEDULE INFORMATION

Spotlight does not have a general schedule format for our competitions. Schedules are uniquely created, based on the registration for that particular city. The routine count and type is different for each event, and we do not have this information until after the Closing Date for the event. This allows us to create a schedule that best accommodates each studio and dancer, utilizing competition time in an efficient manner. Once the schedule has been released, it is final, unless otherwise noted. If you would like to make a special schedule request, these must be made directly on your registration for EACH individual routine – fees will apply.

MUSIC PROCEDURES

Music Upload - All music MUST be uploaded online via the registration process. **Deadline for uploading music is Tuesday prior to the regional event, by MIDNIGHT.**

This mixture of age, breadth of dance experience, and extensive background in performing arts contributes to the diverse range of feedback our judges offer competitors. Every effort is made to provide feedback in five main areas: Technique, Execution, Presentation, Choreography, and Difficulty. All decisions made by our highly qualified and competent judging panel are final and all judging methods used will be at the sole discretion of Spotlight Dance Cup.

Point System - A panel of three or more judges will score each routine based on a system of 100 points per judge. Ties will be broken based on 1) highest technique score 2) highest presentation score 3) judges' decision.

Spotlight Events will award an undetermined number of Special Awards at the Director's and/or Judges' discretion, including Judge's Choice, Sweepstakes and Sportsmanship Awards.

Dancers Against Cancer Donation Option – Studios will have the option to donate back their awards received during each ceremony. Once the ceremony concludes, studios can bring any awards that they would like to donate to the Awards Coordinator backstage. At the end of the season, the proceeds from the donated awards will be given to Dancers Against Cancer! This is completely optional, and studios may choose which individual awards they would like to donate back.

"Sharing the Spotlight" Scholarship Program - Spotlight Dance Cup recognizes individuals that excel both on and off stage through our "Sharing the Spotlight" Scholarship Program. Current Senior dancers who are attending college and/or furthering their dance education, directly following the 2024 competition season, are eligible to apply. MISCELLANEOUS GUIDELINES & INFORMATION

Challenges/Protests - Division Challenge: If you, as the studio director, believe that a routine has not been entered in the correct division, you may challenge the specific routine by following our written protest procedures. Please see the Show Director at the event for the appropriate protest form. Any routine challenged and found to be in violation of the division criteria may be disqualified, adjudicated only, or bumped to the proper division at Spotlight's discretion. Safety - Dancers' safety is paramount at Spotlight Dance Cup. Stage Managers, marley floor, and first aid kits are provided. Spotlight stresses the importance of safety and executing only those skills, techniques and practices that will not cause undue harm or injury to performers, spectators, or the stage. To ensure the safety of all, 100% of choreography must be performed within the boundaries of the provided stage area. Dancing in aisles, on or around the judges' table, jumping off the stage,

and/or performing in any other part of the theatre is strictly prohibited. Routines in violation of these noted safety standards will be penalized or disqualified at Spotlight's discretion.

Family Friendly Policy - Spotlight Dance Cup is dedicated to providing an environment that is family friendly. We realize that dance is an art form and crosses a broad range of styles and tastes; however, routines, costumes and music must be age appropriate and suitable for audiences that include children of every age. Offensive language/lyrics, choreography, costuming, and/or the use of dance themes such as rape, suicide, murder, sex, domestic violence, or other dark undertones presented with a lack of "artistic discretion" may be considered inappropriate. We recognize that this is extremely subjective and sensitive. Therefore, Spotlight judges and staff will use their utmost professional judgment to ensure appropriateness while still encouraging artistic creativity.

No Photography and Video Recording - Recording and transmitting devices of any kind are strictly prohibited, as in any professional performance venue, in order to abide by copyright law and due to the prevalence of persons of questionable nature. This includes Facetime and similar mobile technology during a performance. Your cooperation is appreciated to protect the dancers and the work of the choreographers. As a convenience to participants, studio directors and teachers, we are offering **FREE MEDIA** from a professional videographer and photographer. No recording devices of any type are allowed in the dressing rooms. We have the exclusive right to deny any person(s) or studio(s) access to the competition in any way due to misconduct, misuse, or otherwise. Failure to comply with these guidelines could result in penalties or disqualification of the dancer(s) and/or studio. We urge all studio owners, teachers, and especially parents, and families to help keep our performers photographically safe.

NOTE: Spotlight Dance Cup reserves the right to use any image taken at our events by our partners and affiliates.

Dressing Rooms - Same gender parents and teachers **only** allowed in dressing rooms. Family dressing space is available upon request. Please see your Stage Manager at the event for Dressing Room details or contact our office prior.

Backstage Policy - Teachers and performers **only** allowed backstage. ALL parents and students not performing in the current routines are to watch from the audience.
